9. UNIFORM

For all club, zone or state competition, full uniform is to be worn. Long sleeved shirt (worn with *sleeves down and buttoned up*), tie, fawn or oatmeal jodhpurs (the wearing of a coat is NOT permitted).

Campdrafting riders are permitted to wear bone stockman cut trousers at Club, Zone and State level competitions.

Riding Trousers may be worn when competing in sporting events at all levels. Riding Trousers shall mean fawn, bone or oatmeal coloured trousers designed specifically for riding or labelled stockman cut, moleskin or similar appellation, the top of which shall be at the rider's waist and the length of which shall be such that when mounted the top of the rider's boot shall be covered. Riding trousers may not be worn with long boots. Riding Trousers may be worn when competing in all Flat work events as Club and Zone level only (the exception being Dressage, Showjumping and Eventing competitions).

Club or Zone polo shirts shall be worn during competition at Championship events for Mounted Games as a matter of comfort and safety for riders. Full uniform must be worn to all State Championship presentation parades.

Zones have the option of allowing members to wear polo shirts in Club colours as a summer uniform for sporting, campdrafting and mounted games events up to and including Zone level only, but not at State Championship events for sporting and campdrafting.

Note: The definition of the polo shirt allowed is as follows "must have a collar and may be either short or long sleeved". Polo Shirts are to be in Zone or Club colours (i.e. may consist of the main Zone or Club colour and up to two trim or contrast colours).

Spray Jackets are permitted to be worn up to and including State level competitions in adverse weather conditions. The spray jackets are to be in Zone or Club colours and zipped closed whilst riding. Adverse weather conditions include (but are not limited to) driving wind and/or rain, sleet, snow and the like.

The only acceptable helmet for use at Pony Club is that which carries the ASNZS number 3838 and is specifically designed for equestrian use.

The ASNZS approved equestrian helmet must be correctly fitting (it must not fall forward on to the rider's nose, rotate on the head or obstruct sight in time of emergency) and must have effective retention harness attached and in place under the chin whenever the rider is mounted. A small amount of comfort padding may be added to improve the fit. If a rider's helmet has lost the ASNZS approved equestrian label, a gear check steward or instructor may approve the helmet by comparison with an approved helmet bearing the ASNZS approved equestrian helmet label and by checking the compaction padding, retention harness and visor, thus ensuring that it appears to be the same type. Retention harness should not be detachable.

THE FOLLOWING ARE NOT PERMITTED:

- a) Hard chin cups fitted to retention harness;
 - b) Helmets not having an outer shell (i.e. made only of polystyrene) whether or not the same
- All *mounted personnel*, whether juniors, associates, seniors, instructors, competitors, or helpers are required to wear an *ASNZS approved equestrian helmet* with retention harness in place and approved riding boots. This also applies to helpers at championships or other fixtures (whether members or not). (Refer section 5.)

Slip covers on helmets coloured brown, black or in club or in Zone colours are permitted.

Sun protection covers are permitted on helmets provided that the cover is secure and does not interfere with the safety effect of the helmet.

The use of approved Body Protectors for all disciplines is permitted. They may be worn over or under Pony Club uniform with preference to wearing under the shirt or jumper. Back numbers must be worn on the outside. If a jumper is worn at State Championships it must be of knitted wool or wool blend. At other times it may be made of knitted wool or wool blend and/or cotton polyester blend and in every case it shall have long sleeves or be a sleeveless pullover, with a V-neck and be of one plain colour. Gloves are optional.

Sloppy Joes and t-shirts are not official uniform. Exception: Refer paragraph. 13. O.D.E. cross country phase. The only jewellery permitted to be worn by riders when mounted are studs in the ears and wristwatches (medical alerts are permitted). If gloves are not worn then rings must be taped.

Riders under 17 years have the option of wearing short Jodhpur boots defined as elastic sided, reasonably smooth, fully soled and uppers that may incorporate a zipper but no laces or buckles. Or short Jodhpur boots and gaiters which must be made of solid leather and be full grain leather on the exposed side and the same colour as the boots. Gaiters will not be permitted for riders under 17 years of age where a particular competition has a rule preventing junior riders from wearing gaiters.

Riders under 17 years are not permitted to wear gaiters at the State Show Riding Championship.

Riders 17 years and over be permitted to wear Roper or Dogger type boots with riding trousers for sporting and campdrafting. Associates have the option of wearing short or long boots.

Chapettes are permitted to be worn by riders at Pony Club Rally (Instruction) days but not in any competition.

Chapettes to be below the knee, plain in colour and may not have fringes. Solid leather gaiters of the same colour as the Jodhpur boot may be worn wherever long boots are permitted. Riders who wish to do so may wear medical arm bands at any Pony Club fixture. It is also recommended that riders with particular medical problems are encouraged to wear medical arm bands. Prescription spectacles or ASA standard safety sunglasses are the only spectacles or glasses to be worn whilst riding.

The carrying of mobile phones whilst under instruction or competing is not permitted.
